

1. Reproduce document, *Finished Example2014.pdf*, as closely as possible. Use provided *AldusManutiusGraphic.pdf* to place into your composition. Pay particular attention to alignment!

- Provided graphic is approximately 2" square
- Document is letter size (8.5 X 11)

FRONT

- Margins = 1"
- Font = Times New Roman (serif)
- Squares (6) = .75"
- Greyscale = (0%—20%—40%—60%—80%—100%)

BACK

- Margins = 1"
- Squares (Regular/Rounded) = 2"
- Small Circles = 1"
- Rectangle Width = 6.5"
- Lines = 45, 90, 180 degrees (1pt.)

2. Combine front and back sides of document into a 2-page PDF and upload it for credit. Do not turn in native .ai documents.

3. Look up the historical figure, *Aldus Manutius*, and answer the following questions. Type your answers directly in *Submission Comments*.

- Where and when did he found a printing office?
- Name the style of type the Aldine Press is credited with inventing.
